The Pylon Esports QC under the supervision of PSC of Polytechnic University of the Philippines – Quezon City Branch is the Sports Organization which offers the chance for the students, student player to enhance not just their gaming skills but also their professionalism. This year 2020 has been a very challenging to all of us especially for the students; hence the PUPQC Sports Club could not be able to come up with a physical event and this Academic Year 2020-2021, everyone has to adjust to our New Normal which everything goes through online that is why PUPQC Sports Club and Pylon E-sports would like to take this opportunity to help a student who is very in need. Through this activity, we will be able to find, help and prepare student leaders and players who want to enter e-sports scene the event will be sponsored by UniPin and Partnered with AcadArena and VoxNova as our Media Partner. The tournament will be facilitated by the Pylon E-sports Quezon City Team.
